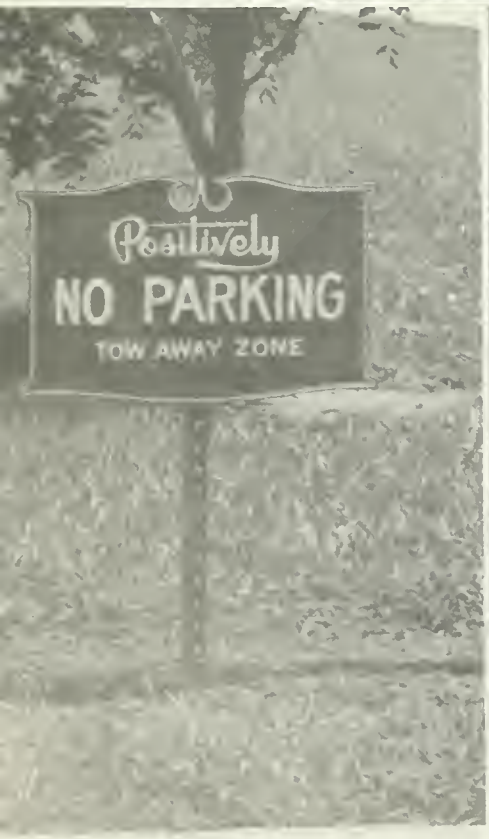
USCS

"the place to be"



Long Lines Highlight Fall Registration

AS USUAL, this year got off to a great start! Long Lines; filling in miniscule ovals with No. 2 pencils: trying to locate what line Badm, Gint, Psyc, Gstd, or Crju would fall under; trying to find an advisor whom everyone assumes you have; and, especially trying to fight your way through the maze of people and stations which are numbered in the wrong sequence—or so they seem! Yes, registration is the one event old and new students get to tackle at least twice a year. Why, college would not be the same without the heart-wrenching, teeth-clenching ordeal to start off a new semester!

Dr. James B. Holderman

Nothing will ever be attempted if all possible objections must first be overcome. Samuel Johnson (1709-1784)

HOME-COMING '79

Up, And, Up, Away

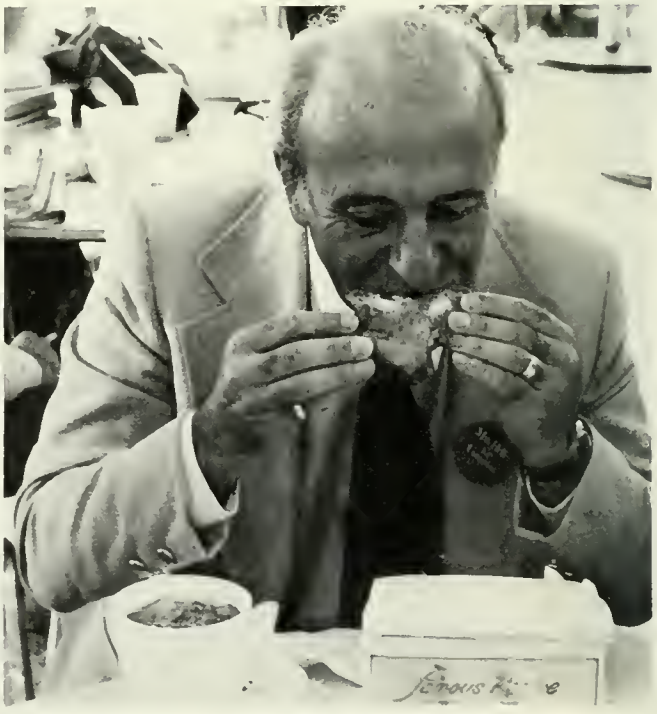
TEAM CAPTAIN, Wayne Holden, is up for a rebound.

Balloons and beautiful girls highlight Homecoming for 1978-79. Dr. Lindsay and the Pep Band start at halftime with a soft but emotional melody of "Somewhere Over the Rainbow" and "Up, Up, and Away." The six girls who were chosen as finalists at the previous Thursday game are escorted out to the center of the gym floor under a halo of rainbow-colored balloons. The girls are Kathy Booker, Clary Olgesby, Wendy Nelson, Robyn Newton, Karen Miles, and Bren Bell. SGA President Cathy Keuthan presents each finalist with a memorable carnation in the school colors. After that sixth girl is introduced, silence falls . . . then, Clary Olgesby escorted by Darrell McDowell and representing the Near Misses is announced as the Maid-of-Honor. Chancellor Olin B. Sansbury presents her with a bouquet of roses as she takes her place to his left . . . Silence again falls . . . then . . . the Homecoming Queen of 1978-79 . . . Kathy Booker escorted by Lucius Pitts and representing the Girl's Basketball team receives a bouquet of roses by the Chancellor and is crowned.

Immediately after the game the SGA has a big bash in celebration of the USCS Homecoming and the victory game that night!

SGA Fall Concert
—Indoors or Outdoors?

SGA members distribute chicken dinners to a large crowd of hungry students, faculty, and guests.



Greenville Mayor Max Heller enjoys "Southern Fried Chicken."

A day of Fun, Food and Friendship.

Real southern fried chicken?! Two great bands?! Free Beer?! Sure enough, the SGA Fall Concert was a little of something and a lot of everything! Chicken from Famous Recipe was trucked in by the hundreds and Beacon tea complimented the meal.

During the early lunch, nippy weather and overcast skies forced the first band "Shatteract" indoors . . . but as the weather warmed (as well as many bodies) the events moved to the grass and "Jericho" started their act . . . with the free beer flowing! There was a tug-o-war on the field, nutty games on the sidewalk and chug-a-lugging contests at the front tables . . . faculty as well as students sprawled on the lawn enjoying the blue grass music and even some loose individuals trying their hand at dancing (or were they swaying?) Yep, there was plenty of fun for everyone . . . plenty-o-brew and ohhh ya . . . plenty of good ol' fried chickun!

1st place—Fred Sergiacomi

The first annual CAROLANA Photo Contest produced three winning photographs and two CAROLANA staff photographers. All entries were required to be candid black and white photos of the SGA Fall Concert.

Judged by a faculty-student committee, Fred Sergiacomi captured first place honors which entitled him to dinner for two at Mr. Sam's and movie tickets from Royal Twin. Cecil Snipes and "Doc" Lindsay won second and third place, respectively.

Cecil enjoyed lunch for two at Jed's while Dr. Lindsay consumed a case of Bud.

Later Fred and Cecil joined the CAROLANA staff and continued to produce great photographs.

Steve Gipson

Steve Gipson brought a combination of music and art to the USCS campus on a November afternoon. The zany cartoonist and comedian draws caricatures of famous popular and not so popular people; such as the Beatles, Walter Cronkite, Richard M. Nixon and even Jimmy Carter. Steve Gipson's show consists of crazy cartoons drawn to the rhythm of favorite music and tales that produced many a chuckle. In an interview Steve Gipson said "I want to proceed with my comedy and become a big star. I only use my drawing as a prop for the comedy. It's a gimmick. Every comedian has a gimmick." After the show, Steve obliged the avalanche of students and preceeded to draw caricatures for those patient enough to wait.

THE COMEDY STORE

The Comedy Store visited USCS while on a college tour of the area and brought a unique brand of entertainment. After tidying up the "Store", with paraphernalia the show began. Fred Raher (left) emceed the show with a variety of crazy jokes and hilarious stories. The Hodge Center was packed and the place really roared with each new quip. Following Fred, we had impressionist Jeff Dehart (right) who gave us impressions from old movies, to Presidents, to singers, to stereotyped characters. Then following Jeff we had Bob Saget (below) and his weeping guitar. Bob gave us a delightful blend of jokes, stories, and songs. The trio was great! The crowd was one of the biggest at noon and everyone got a laugh that October afternoon.

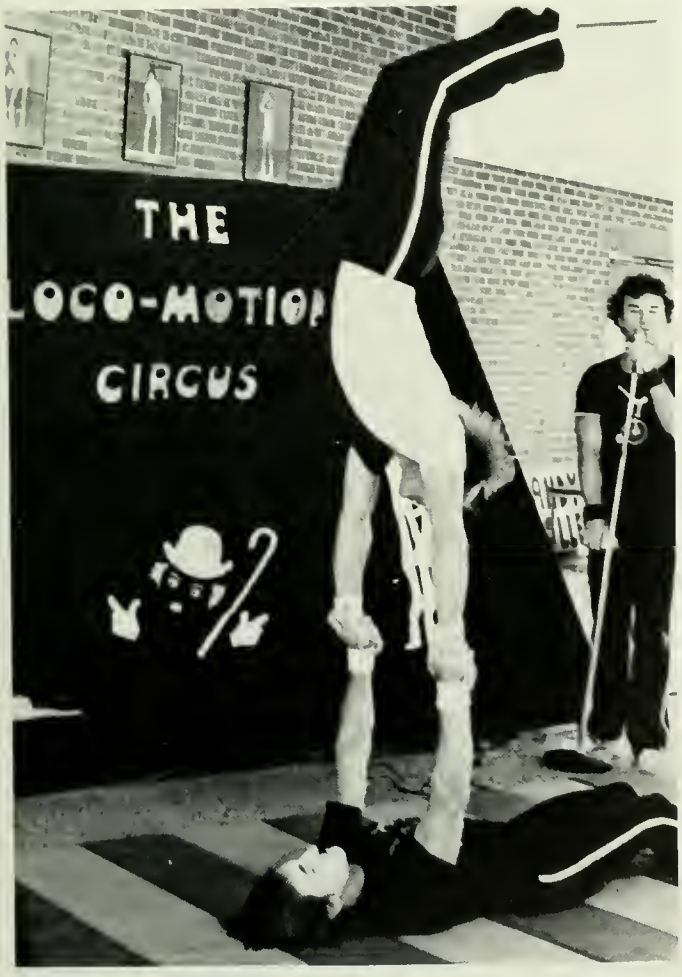
SALOO
THE GREAT

THE Loco-Motion Circus

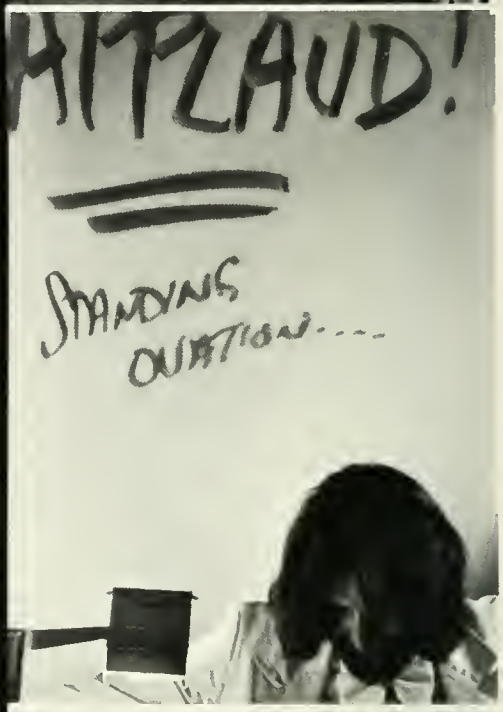


Composed of three talented young men—Bounce, Flip, and Cyrus—the Loco-Motion Circus entertained students and faculty in a unique presentation of human body performance. Taking you back to the Vaudeville-Slapstick era, their high velocity show provides 90 minutes of super excitement.

Where do you get the best entertainment? Where do you get concerts and discos and comedians and acrobats?! USCS, of course! This year we've had everything! At the Armory, we've had Symbol 8, Mainstream, and Omni! They all supplied us with the finest funk, disco, and top 40. Mainstream played for the Homecoming, and free beer and snow made it a night to remember!

One of the big attractions of the year were the noontime events. Steve Gibson and Chris Bliss showed us what fun was all about! While the Comedy Store and the Loco-Motion Circus merely boggled the mind with their hilarious antics! Afternoon concerts were another fantastic addition! Jericho and Shatter Act opened up the year with top 40 and southern rock! In the spring, Beresford Creek and Ayers, Copley, and Cash brought us back from the winter with bluegrass and country!

The Big Event was a sensation this year with the unique blend of music supplied by the Putman County Pickers! Live music has been the greatest this year! The list of events goes on! Park Avenue Disco coupled with free refreshments meant parties after three home basketball games! And a fantastic Pep Rally got the people to the games! In the Hodge Center everyone from the Beatles to Muhammad Ali have appeared for our enjoyment . . . in video cassettes, that is! A year of excitement and fun! Where do you get the best entertainment? USCS!!!!



THE BIG EVENT

The 2nd annual Big Event was attended by an estimated 400 students and faculty. A team from the bookstore won first place honors in the organizational team competition. This competition consisted of various sporting events, tug-of-war, and pie eating contests. Points were awarded at each particular event with the greatest amount at the end of the day being the overall winner. Second place went to the Universal Love team and The Spartan Club won third place. The Judo Club received $25 for taking fourth place while the other winners received $100, $75, and $50, respectively. After the competition ended everyone relaxed to the music of the "Putnam County Pickers," who play a unique blend of bluegrass, country, and rock. 300 boxes of chicken were served and three kegs of beer were consumed during the late afternoon concert. The overly intoxicated students, running out of chicken, and the white line around the Hodge Center parking lot oval will long be a remembrance of The 1979 Big Event.

And now the students enjoy themselves as Omni plays a variety of music.

Miss USCS Dance

Beautiful girls, tuxedos, long dresses, corsages, good music . . . these are the sights that typify the Miss USCS Dance April twenty-eighth. The local band "Omni" supplied the Top 40 music and the USCS students provided the packed Armory. The estimated figure on attendance was 350-450 people at any one time! All the tables were full and SGA members had to haul out extra chairs for the people standing around the perpheries. When 10:00 pm rolled around, all the contestants immediately became nervous. Associate Chancellor Tom Davis emceed the occasion while Cathy Keuthan, Miss USCS 1978-79 presented each class winner with the roses and a trophy. Finally . . . . Miss USCS 1979-80 is announced. Paula Henderson is the chosen girl! She is immediately presented a half-dozen roses, a trophy, and then crowned by Chancellor Olin B. Sansbury. The girls were beautiful; this will definitely be a night to remember!

Paula Henderson (left), soon to be crowned Miss USCS for 1979-80, waits in anticipation with her escort Jim Couch, Cathy Keuthan, Miss USCS 1978-79; and Greg Rowland.

Coach Bill Hinson's 1978-79 basketball squad had many first time achievements this year. Finishing 11-19, it was the first Rifle team to win ten games in NAIA competition. Their 11-12 District record was also good enough to qualify them for the District playoffs; another first in Rifle basketball history.

The season started on a winning note as the Rifles took a decisive 86-77 win over district foe Morris College.

The '78-79 season marked the first time USCS has played cross-town rival, Wofford. Although USCS dropped two games 71-69 and 71-70, both on last shots, Terrier fans think of USCS as much more than the "branch" now!

The Rifles topped first semester action with a victory over district leading and eventual champion, Central Weslyan. The 82-63 margin was a fitting sign that Rifle Roundball is on the move.

In the second half of the season USCS kept on rolling until a late season slump brought their ratings down. One of the highlights was a 71-64 loss to Southern Conference Champion, Appalachain State, whom the Rifles led for most of the game. Another was 80-76 victory over Newberry on the Indians home-court.

This brought the Rifles to the Playoffs against top-seeded Lander. Although USCS lost the hard fought 84-73 decision, Rifle basketball had made its mark and should continue upward in the future!

Formerly the coach at Byrnes High School, Emily Meyers has a combined coaching record of 205-56. She has won four state championships, directed three basketball camps and had a 12-7 record last year in her first year as head women's basketball coach at USCS.

Women's Volleyball

The women's volleyball team got off to a good start, winning 7 of their first 10 matches. Coach Bowman wasn't completely pleased however; "We have played well but not up to our potential. The talent is there it just needs refining." Their final outcome this season was 22 wins and 12 losses. The girls seem to have done a good deal of refining!

All eyes are on the ball as USCS prepares to return their opponent's volley.

Golf

Finishing the year with a match play record of 12-2, the Golf Team brought several sports honors to USCS. Chuck Cowery captured second place individual honors in the PING Tournament, while the team also placed fourth in the NAIA District 6 Championship with Tom Easler making the All-District Team. A new school record for team score was made this year when the team obtained a score of 287.

Golf Team members are Ray Briggs, Chuck Lowery, Tal Henry, Dave King, Bill Karplak, Kris Weaver, Scott Womble, Woody Woods, and Coach Joe Bowman. Not pictured: Tom Easler.

Judo Team Receives National Recognition

Continuing success highlights the USCS Judo Team. Coach Guy Jacobsohn, an AAU national champion, has maintained a highly competitive winning team for the last couple of years. Tournament results for this year were as follows: Mark Lewis won the National U.S. Judo Association Championship in the 106-pound class. This Championship was held in Dayton, Ohio in October. In the South Carolina State Championship the USCS team received five first places out of a possible eight awards. John Thomas won first place in the U.S. Judo Association East Coast Championship in the 132-pound class; and Gunner Vandersteur won third place in the same class. John Thomas went to the Quarter-finals in the National Collegiate Judo Championship held at Long Beach, California; and Frank Barry went to the Semi-finals.

The members of the USCS Judo Team for this year are: Frank Barry, John Klinck, Mary Lewis, Jerry Newman, Billy Poteat, James Richard, Kenneth Stophel, John Thomas, and Gunner Vandersteur.

Cross Country Team Runs It's Last Season

Mark Thompson, Skip Frye, David Clary, and Johnny Mathis. Not pictured: Reggie Miller. These were the team members of the USCS Cross-Country team for 1978-79.

The 1978-79 USCS Cross-Country started the season on a rebuilding note. Losing six runners of last year's District Championship team, the Rifles had only five runners this year. The small number did not discourage the harriers as they worked hard and captured District runner-up honors, thus finishing second only to Francis Marion College. "I'm as proud of this team as last year's championship squad," said player-coach Skip Frye.

Our team worked very hard this year and its a shame that there will not be a team next year. The season closed at the District Meet in Florence, Skip Frye captured second place, Mike Massey captured third place and David Clary captured fourth. They all made the All-District Team. Mark Thompson, captured the Most Valuable Runner award for his contributions. Reggie Miller rounded out the squad.

Faculty and Staff

The University of South Carolina at Spartanburg consists of approximately 155 faculty and administrative staff. Approximately one-half have their doctorates while two have their law degrees. Nearly every state and five nationalities are represented. Korea, South Africa, France and Germany are the nationalities.

The activities and interests of the faculty are varied. It goes without saying that the majority of them are academic, but some are rather unique. Members of the faculty have been with the Peace Corps and Vista. Others have served in the armed forces in Vietnam. Army reservists, Conscientious Objectors, the list goes on . . . Jogging, biking, backpacking, and camping; the pursuits of the faculty are many. Geologists, historians, lawyers, actors, nurses, biologists, psychologists, mathematicians, and private businessmen are included as the careers of USCS faculty. Although the faculty of USCS is not large, it is certainly active!

According to the Records Office, 2,290 people attended USCS in the fall of this year. Of those students, 1,060 are male and the other 1,230 are female. No one was classified as neither sex this year. Only 15 students reported being divorced or separated and the majority of the students reported being single. The remaining 262 students are married. The average student age is 24 and 74% of the student body lives in Spartanburg County. Greenville County is represented by 10% of the students, Cherokee County claims 6% of the students and Union County is represented by 4% of the students on campus. There are also 81 non-resident South Carolinians attending USCS.

Man is a cooking animal. The beasts have memory, judgment, and all the faculties and passions of our mind, in a certain degree; but no beast is a cook. James Boswell (1740-1795).

NOTE

In an attempt to offer each campus organization extensive coverage in the 1979 CAROLANA, a new policy was established. This policy asked each organization to submit photographs and copy of their events and activities to the CAROLANA. The CAROLANA would provide film, camera, and developing, but could not send a photographer on their trips. Several memos were sent concerning this new policy but many organizations still did not submit any photographs. The number of photographs submitted became the determining factor in the number of pages given to each organization.

SGA

Paula Henderson, SGA Treasurer

Cecilia Hood, SGA Secretary

After attacks and resignations early in the year, the Student Government Association emerged as a cohesive group. The SGA has seats for 38 representatives but this year, as in the past, many seats were not filled. The lack of bodies was not a liability however; the SGA was able to produce all the scheduled dances, discos, and entertainment, even adding several special events. Several of the non-entertainment issues were accomplished. The most notible are the new Campus Calendar sign in front of the Hodge Center and the bulletin boards in all the buildings for better club publicity. In April, the SGA held its installation dinner at Quincy's and swore in the new officers. The SGA member of the year was chosen and announced. Former SGA member, Wendell Bruce, was elected. (Pictured to the right.) The 1978-79 members were: President . . . Cathy Keuthan, Vice President . . . Chip Clary, Secretary . . . Cecilia Hood, Treasurer . . . Paula Henderson, Senior Class President . . . Andy Farmer, Freshman Class President . . . Robert Brown, and the Senators: Gary Barnard, David Champion, Daniel Henson, Donna Hicks, Lisa McClure, Paul Small, and Christine Wilson.

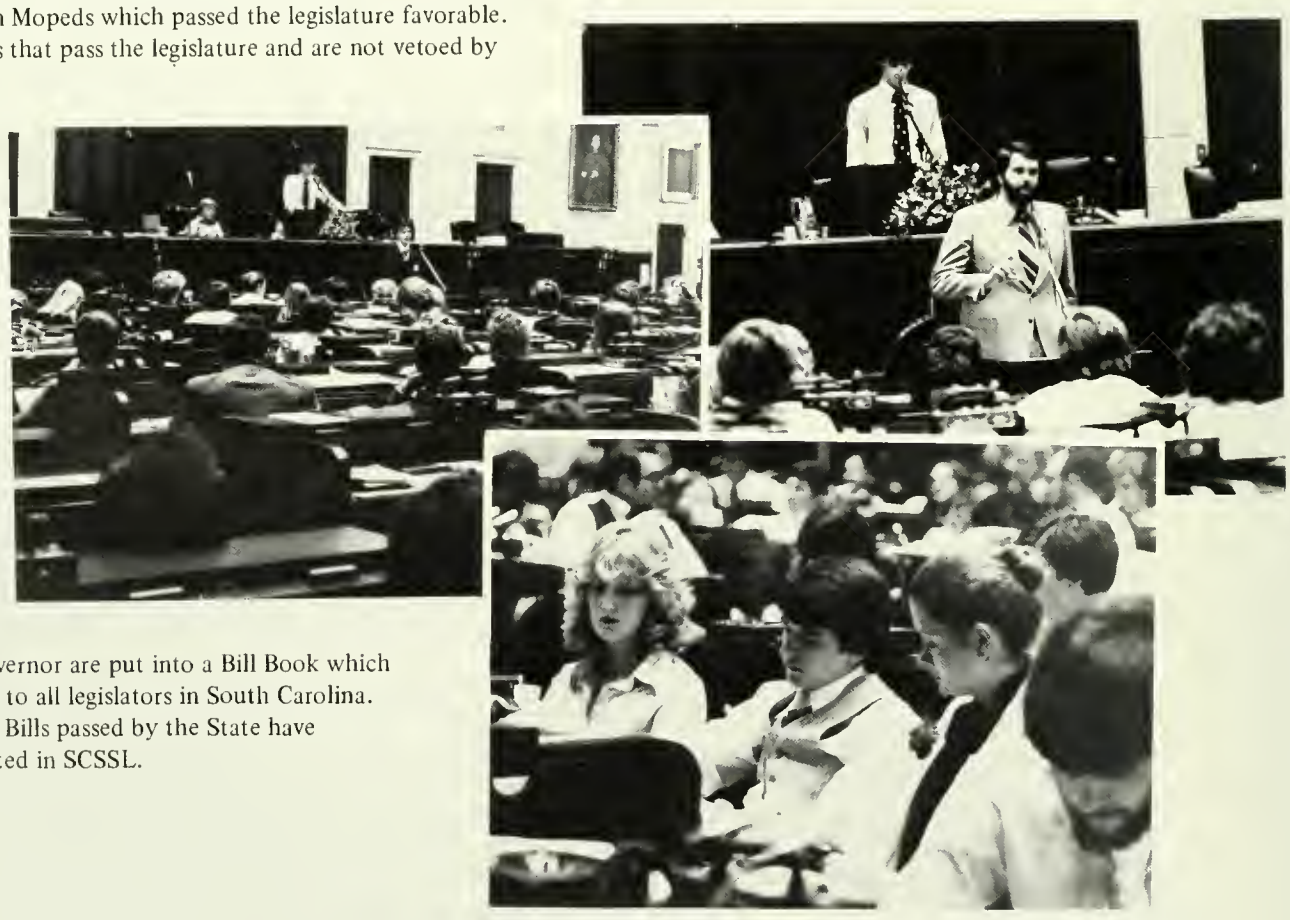
Asecciate Chancellor of Student Affairs, Tom Davis and SGA Advisor, Ron Romine enjoy the dinner at Quincy's.

This years' SGA President, Cathy Keuthan swears in the newly elected President, Andy Moller at the SGA installation.

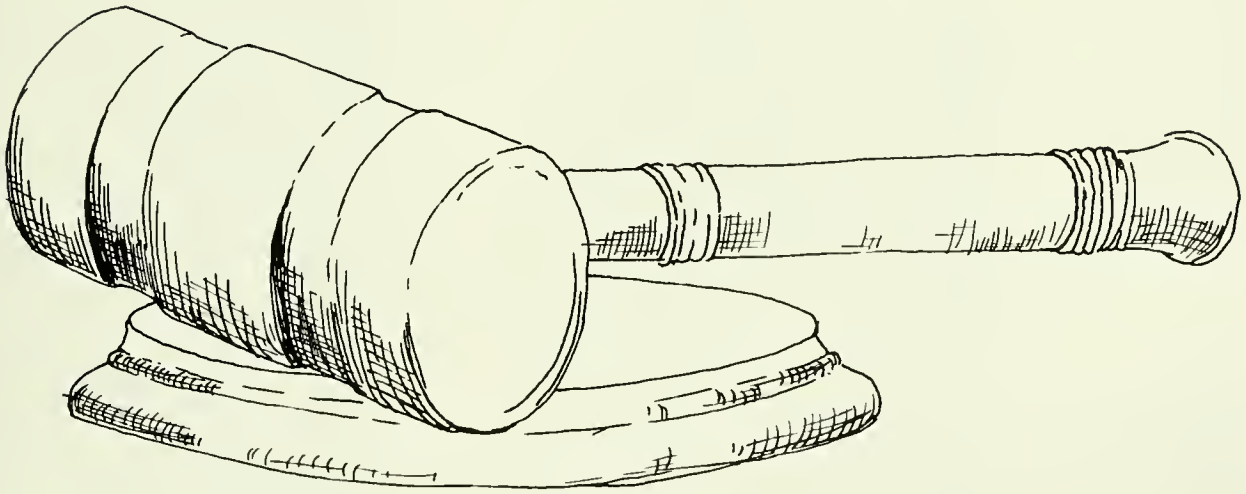
SCSSL

USCS Delegation Chairman Cathy Keuthan and Co-Chairman Greg Rowland study proposed legislation in the State House Chambers.

The South Carolina State Student Legislature (SCSSL) is twenty-two years old this year. Each fall, usually in November, the organization has its three day session. This fall session involves a Friday of committee meetings where all proposed bills are introduced, read, discussed, and voted on for passage. Needless to say, an author must do alot of research to be prepared for the fall session! After committees, there is a disco and a welcome reception by the Governor. The next morning promptly at 8 a.m. the legislative session begins. Here, every bill that has passed committee must be read and voted on. That night there is a banquet. Sunday's session starts at 8 a.m. and goes until 12 noon, with election of the officers taking place before lunch. This year the fall session was attended by over 250 delegates of some twenty-six schools. The USCS delegation had six of its possible eleven delegates represented. Our delegation submitted two pieces of legislation. Robert Brown authored a bill on Nuclear Waste which was tabled in committee and Greg Rowland and Cathy Keuthan authored a bill on Mopeds which passed the legislature favorable. All Bills that pass the legislature and are not vetoed by the Governor are put into a Bill Book which is given to all legislators in South Carolina. Several Bills passed by the State have originated in SCSSL.



Criminal Justice Association



(Artist: Alan Gray)

The Criminal Justice Association is an organization that is open to all students interested in the field of criminal justice.

While it exists mainly as a social club, it also seeks to encourage the growth of professionalism in the field. Projects include: field trips to state correctional facilities, the Criminal Justice Academy, and to other institutions. An annual Career Program is sponsored and each semester the club either sponsors a barbecue or fish fry.

Club members serve as active recruiters in the junior colleges to encourage students to continue their educational goals.

Although less than a year old, the club has a very good membership and seems to be expanding each semester.

Editorial

EGO TRIP

The school newspaper — Carolinian — started the year off breathing fire and accusations down the necks of every authoritative body on campus. By Christmas however, after losing the Assistant Editor and many staff members, the Carolinian settled down. In the South Carolina Press Association's Collegiate Division, the Carolinian won recognition as the "Top Small College Newspaper in South Carolina" for its December Christmas issue. The Carolinian staff consists of: Hal Leslie, Editor; Jim Fair, Editor for the Fall; Marcia Hopkins, Editor for the Spring; Lynn Clemmons, Copy Editor; and Writers — Daniel Hinson, Sherwood Thompson, Nina Ledford, and Marvin Peake.

Maggie's Drawers

(Artist: Pierrette Earling)

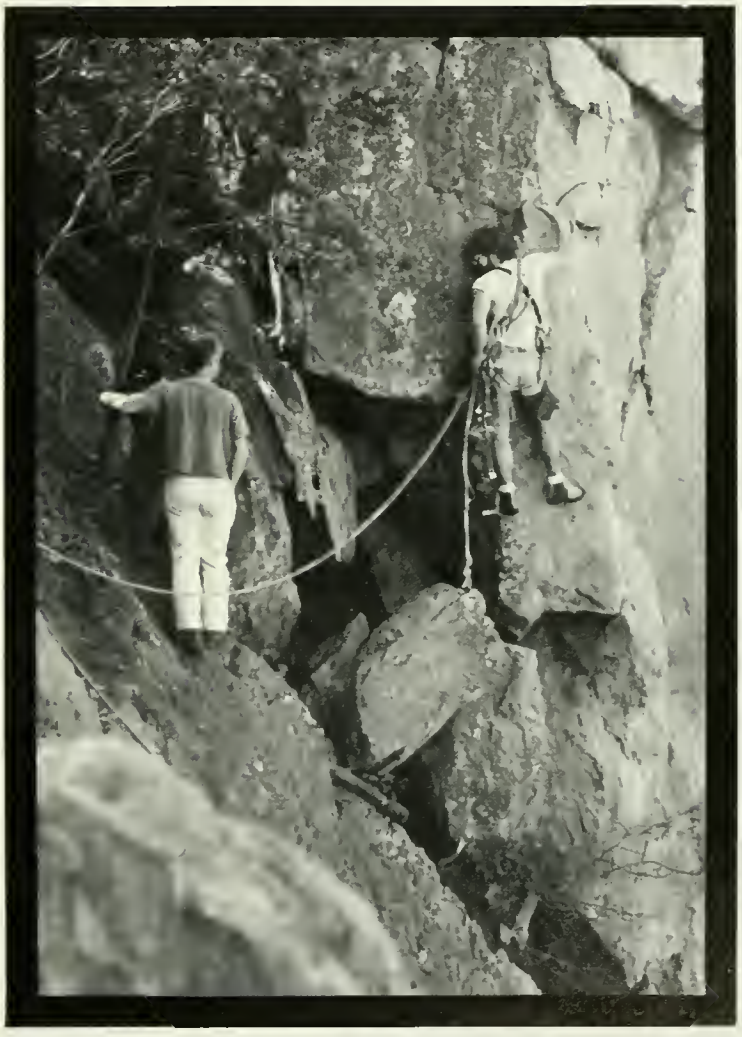
For thoee not acquainted with the term "Maggie'e Drawers," it signifies a complete mies of the target on the rifle range.

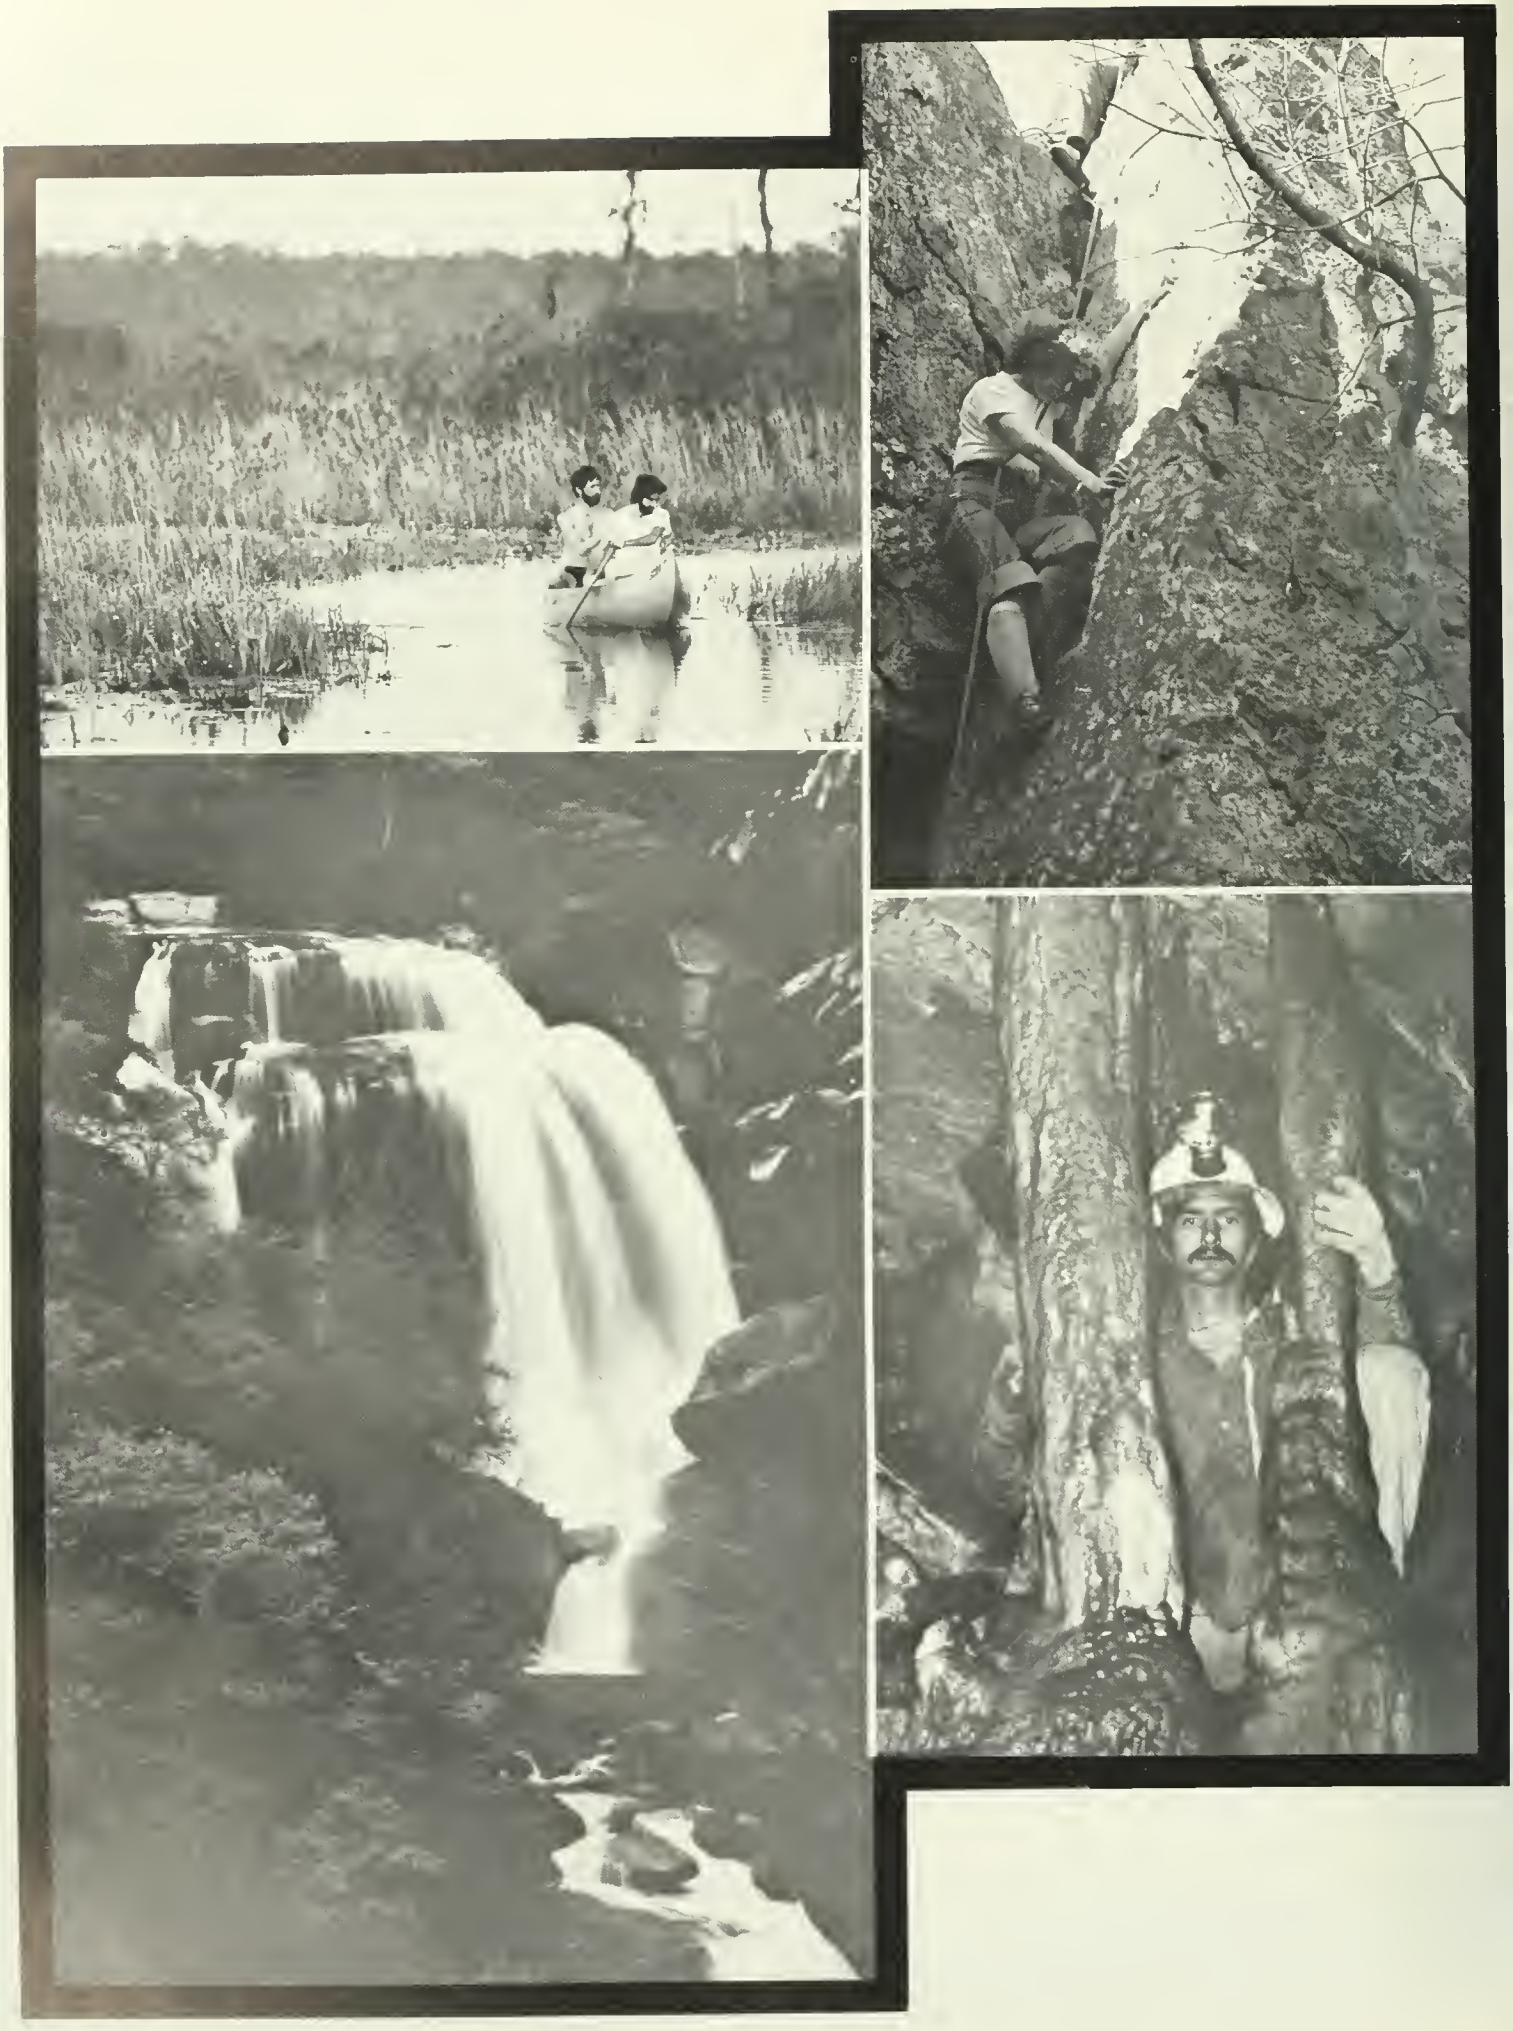
Maggie's Drawers is the USCS literary magazine composed of poems, short stories, art, and photographs. Published twice a year by a student editor, Maggie's Drawers is available to students and faculty free of charge.

The 1978-79 Editor ie Trish Edgerton (below) who coordinates collection, editing, and publishing of all literary pieces. Andy Crosland, Donald Knight, and Bryan Lindsay eerve as faculty advisors.

Members Go to Great Heights for Excitement

Outdoors Club members could be found anywhere from the top of a snowy Mount Mitchel, to the raging rapids of the Chattooga River. The Outdoors Club participates in such sports as rockclimbing, rafting, backpacking, caving, and snowshoeing. The Club stresses safety and participation, but the main objective is to have fun the natural way!





Reloading ammunition with newly acquired equipment is club members Alan Pritchard, Terry Prichard, (club president), and Mark Tate.

Gun Club

The Spartan Rifles Gun Club concerns itself with teaching firearms safety, marksmanship, knowledge of firearms and loading, and sportsmanship. Several clay pigeon shoots were held this year. Membership is open to any student who is willing to accept the responsibility that must accompany firearm use.

V S L

At one time a very active campus organization, the Veterans Student League experienced leadership problems this year. Hopefully next year they will reorganize and bring back to the campus a much needed organization.

BLACK STUDENT UNION

The Black Student Union was busy with both civic and cultural events this year. Mrs. Millicent Felder of the Medical University of South Carolina addressed the club on minority recruitment and special programs at the MUSC. During Black History Week several prominent local Black citizens were part of the program sponsored by the Black Student Union. Pictured at right is Oscar Mooney, alias "Easter Bunny," during an Easter Egg Hunt for the children at the Child Development Center. Other activities included sponsoring a disco at the Big Event and ushering at the Fay Hauser recital.

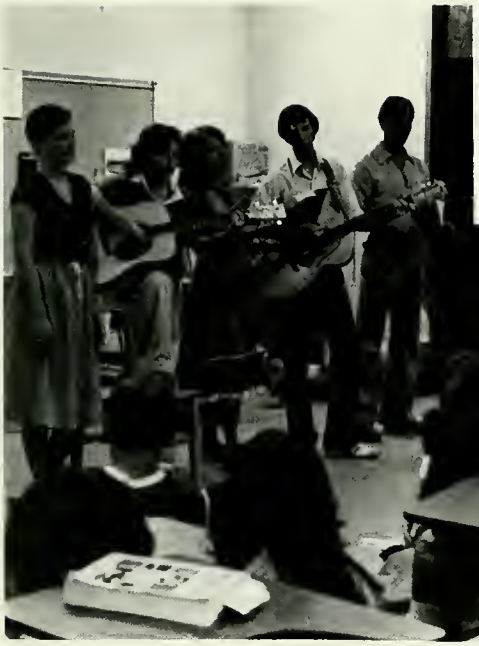
UNIVERSAL LOVE



"Memories, like the colors of my mind, misty water-colored memories of the way we were . . . "
—Barbara Streisand

There were so many good memories, such as Gordon Mapley's directing traffic dressed as a pregnant woman; Wendell's livening-up of our Green River trip by falling through a hole in the rocks; Donna Smalley jumping off a horse in mid-gallop; volleyball morning, noon, and night; the ice skating trips with Gary Barnard, Mr. Winter Sports, leaping over the guard rail and falling on his face; and the Monday afternoon meetings. Second semester saw David Lawson decorating the school with "Think Snow" signs and the city of Spartanburg had snow regularly. On the trip to Valle Crucis, Universal Love was snowed in with guests from Atlanta. February saw Wendell Bruce and Donna Crawford united in marriage and amidst tears and smiles the group prayed for the best for them. When April came the Universal Love group and friends from Atlanta took off for their beach retreat. There UL saw an old "Movie Skit" and said good-bye to our favorite pencil-selling Moron. Universal Love had its rough spots this year. Complaints arose and the Student Affairs committee decided that because it is primarily a religous fellowship that it is not eligible for student activity fees. However, this did not harm the organization and it was able to find financial help from local churches and private individuals. "Our unity is held in a bond by the promise of our Master, made so long ago."

Giddy-up horseys!! UL members enjoy the outdoors on their fall retreat to Awainita Valley.

GAMMA BETA PHI

Jesse Turner, President

Elizabeth Sikes Davidson, Advisor

Gamma Beta Phi is a nationally recognized organization that honors scholastic achievement. The organization is the decendant of the Spartan Society. On April 8, 1978 the USCS club was offically accepted into the national Gamma Beta Phi. The pioneer officers are: Jesse Turner, Joan Lavender, Yvonne Elder, Lisa Clayton, Cathy Keuthan. The Induction Ceremony pictured above was the second to take place at USCS and grossed a membership of 40-60 students.

Approximately one hundred students eligible for membership in the Gamma Beta Phi attended the luncheon held in January of this year. A special guest speaker, Dr. Jim Bostick, officiated the event. Dr. Bostick is a member of the S.C. Commision of Higher Education, and he stressed the growing importance that education now plays in our society. The luncheon also had Chancellor Sansbury, the Deans, and the Division Chairpersons In attendance. Students in the top 15% of their class are ellgible for membership in the Gamma Beta Phi and upon payment of membership dues the student becomes an official member of the national organization. At the conclusion of the luncheon a business meeting was held and new members were elected. These officers are: Rosemary Nichols, Ann Moore, Cathe Emmerth, Brenda Riddle, and Gary Stamper.

OMICRON DELTA KAPPA

ODK Members for Fall are, Front: Kathy Demos, Lisa McClure, Robyn Newton, Pam Howard, Cathy Keuthan, Paula Henderson; Middle: Mr. J.P. Sloan, Bryson Bailey, Steve Billings, Dr. Jim Brown, Dr. Mike Dressman, Ms. Cecilia Cogdell; Back: Skip Frye, Wayne Holden, Joey Kohn, Jesse Turner, Gary Barnard, Tom Davis; and not pictured: Dr. Alice Henderson.

Omicron Delta Kappa is a newly recognized national honor society. In fact, this spring they were inducted into the national circle. The club had previously been chartered in 1977 as a local club—Delta Kappa. From its inception, the group has sought to recognize and encourage leadership and scholarship. Members are selected from juniors and seniors who are in the upper 35 percent of their class. They must have achieved special distinction in two of the following areas: scholarship; athletics; social, service, religious activities, and campus government; journalism, speech, and the mass media; and creative and performing arts. Alumni members and Faculty are also eligible for membership. Each semester the club taps new members. This fall Cathy Keuthan, Robyn Newton and Jesse Turner were tapped. This spring Vickie Hammond, Cecilia Hood, Andrew Irwin, Chris Monroe, and Ann Moore were tapped at Awards Day. This Year the Chapter recognized an outstanding Freshman or Sophomore Leader. Duveen Lysaght was chosen for her leadership in Nursing on a national, state and local level.

Officers of ODK are President, Wayne Holden; Vice-President, Pam Howard; and Secretary-Treasurer, Lisa McClure.

Art League

The Shoestring Players

The Shoestring Players have brought a welcomed touch of drama and art to the USCS campus in the previous years and this year was no exception. Under the direction of Jimm Cox, the Shoestring Players have managed to present some very notable plays. The program's presented this year include: Edward Albee's "Seascape," Samuel Becket's "Endgame," Edward Albee's "Who's Afraid of Virginia Woolf?,"Leonard Gershe's "Butterflies Are Free," and two original musical comedy revues—"Where Do We Go From Here?," and "Graffitti—An off the Wall Revue."

The Shoestring Players construct all their own costumes and props. The actors and actresses are members of the club, students, and people from the community.

Aya Zvaigzne receives the 1979 Curtain Call Award from President Chris Cline.

Spirit!

Pep Band, Near Misses, and Doc Lindsay

Bryan 'Doc' Lindsay conducts the USCS Pep Band.

When Rifle Spirit is discussed, almost always Dr. Bryan Lindsay is mentioned. WHY? Two very important ingredients of our successful spirit program are the Near Misses and the Pep Band. Both are directed by "Doc" Lindsay.

In the fall of the year the USCS dance team, the Near Misses, was organized to provide entertainment during half-time at all home basketball games. A fantastic Pep Band, long hours of practice, and pretty girls have made USCS proud of the Near Misses.

Service to Mankind

Circle-K President Paula Henderson cleans up the tunnel.

Members visit Mountainview Nursing Home to express Christmas wishes.

Mall patron has his blood pressure checked by Greg Rowland.

During the 1978 school year, the USCS chapter of the Circle-K International has been one of the most active groups on campus. In September, the club held a cook-out social and two tunnel clean-ups. In October, the group sponsored a campus-wide drop-in and hosted a district-wide conference, with delegates from over 50 colleges in North and South Carolina. In November, the group visited patients at Mountainview Nursing Home and held a campus beautification project. In December, Circle-K sponsored yet another drop-in, ushered at several events, and held a Christmas social. During January and February, Circle-K took gifts to- and visited- with the girls at the Spartanburg Girls' Home; sponsored a Faculty Appreciation drop-in, and did their share to add to the school spirit by putting up two huge posters for the Homecoming game. In March, the chapter held a spaghetti dinner, ushered at a literary event, presented a program at the local Kwaniis club meeting, and helped raise revenue for the Spartanburg Girls' Home. They also held a cook-out and attended the District Convention in Charlotte, North Carolina. At this Convention, USCS Club President, Paula Henderson was selected as an Outstanding Club President; the only district award won by a South Carolina club this year. Also, USCS Club Treasurer Greg Rowland was elected to the District Office of Lt. Governor. Rowland is the first from USCS to be elected to a district office, and the only district officer from South Carolina.

Busy brooms keep the tunnel clean.

Circle Ker's Paula Henderson and Cathy Keuthan enjoy a ride over Westgate Mall.

ADMINISTRATIVE MANAGEMENT SOCIETY

AMS

AMS is an organization concerned with learning more about the real world of business and applying the principles of management through actual campus/community activities. Fund-raising activities were conducted throughout the year to establish an Endowment Fund. Pictured below are Dr. Sansbury, Thalia Sudduth (receiving a full one semester scholarship), Cecil Hutcherson (Senior AMS President), Dr. Hutsell, and Pat Mitchell (AMS club President).

Spartan Club

Operating the concession stand at basketball games is a major function of the Spartan Club. Profits from concession sales go toward Physical Education scholarships. Other activities of the Spartan Club include sponsoring physical education workshops and participating in intramural games. The Spartan Club won the Softball Intramural Championship for 1979.

The Fashion club is a new organization on the USCS campus this year and it has definitely proved that such a club can be appreciated on our campus. The Fashion club attempts to help students to develop their fashion knowledge and ability. The club has been engaged in a wide variety of activities since its inception. Several such activities include: make-up and styling workshops, stage modeling and photographic modeling workshops, photo contests, fashion modeling, and attendance at modeling conventions and workshops held in the regional area.

The club make-up includes future model hopefuls as well as students interested in photography and the fashion subject in general. The club has contributed its services to several of the other organizations on campus; including a spring fashion section for the Carolinian.

Officers of the Fashion Club
for this year are:

President—Cecil Snipes

Vice-President—Lisa Martin

Secretary—Mary Beth Vess

Treasurer—Frank Nichols

Fashion Coordinator—Dale Watkins

TRIP TO WASHINGTON HIGHLIGHTS

The Political Science Club is a relatively new club on campus. Started in 1978, the club now has approximately twenty members. This club is by no means restricted solely to political science majors. Anyone with an interest in government is welcome to be a member. The major event for the club this year was a trip to Washington D.C. eight students and the faculty advisor drove up to Washington for four days during the spring break. Highlights of the trip were: sitting in on a committee meeting in the House of Representatives, sitting in on a Supreme Court case, attending a ballet at the Kennedy Center for the Preforming Arts, and touring the monuments and museums throughout Washington.

Linda Mahaffey and Jerry Rice admire the scenery on the eight hour drive to Washington D.C.

Under the leadership of Tony English, Jeff Hix, and Brian Kelly, the Photo Club continued to be an integral part of the USCS campus this year. Trips to Walnut Grove, Pearson's Falls, and other excursions allowed members to use the skills they learned during club sponsored seminars. Faculty advisors Becky Patterson and Alan Gray conducted many of the seminars, but club members and outsiders were also given the opportunity to share their knowledge with other enthusiasts.

Psyc Club

The highlight of the Psyc Club's activities this year was a trip to New Orleans to attend the Southeastern Psychological Association Convention. Other activities included a trip to the State mental health facilities in Columbia; a trip to Furman to hear B.F. Skinner, Fred Kellar and James McConnell; a trip to the Spartanburg Mental Health Association's Annual Meeting; and various trips to presentations by local psychologists and mental health workers.

Chess Club

The Chess Club, not one of the most active clubs on campus, provides the opportunity for students and faculty to compete in the game of chess. Several tournaments and many individual games were sponsored by the Chess Club this year. They provided the chess boards in the Hodge Center for students and faculty to enjoy.

Students Travel to Study Science

The Science Club is composed of students interested in the study of science and nature. The Outdoors Club and the Science Club often join together for a weekend trip to the mountains, thus combining the excitement of camping with the study of the great outdoors! Other activities included a trip to Carolina Biological Supply, a visit to Milliken to see the electron microscope, and an Ice skating trip.

Cheerleaders

This year the USCS cheerleaders did a remarkable job. Only retaining three old members, the squad gained five new freshman and two sophomores. The squad members are: Charlene Petty, Carmelina Onorato, Dana Wallace, Teresa Knighton, Tammy Hall, Robyn Newton (Head Cheerleader—pictured at right), Yvonne McNally, Debbie Morton, Rhonda Nesbitt, and Wanda Crocker.

More and more the cheerleaders are working on new and exciting cheers to get up the ol' school spirit! The squad has Spring try-outs and sends several members to Summer camp. Fall try-outs are also held to round-out the squad. At this time, there are no males on the squad but, this problem should be alleviated by next year!

Cheerleader try-outs are interrupted to watch the guys below.

YESTERDAY
is already a dream,
and tomorrow is only a vision;
but today, well-lived,
makes every yesterday
a dream of happiness,
and every tomorrow
a vision of hope.

Paula Henderson Reigning Miss USCS

Paula Henderson was chosen as the 1979-80 Miss USCS on the twenty-eighth of April. This distinguishing title is bestowed on a young lady that is representative of the students at USCS and has contributed much time and effort to our school. Girls are nominated by fellow students and screened by a committee of students and faculty. Four outstanding girls from each class are selected to go before a panel of three faculty judges. The judges use the following criteria to rate each girl and thus chose the overall outstanding one among them: 40% Participation; 25% Leadership; 25% Academic; and 10% beauty and personality.

Paula Henderson definitely fulfilled the criteria. Although a transfer student from USC-Aiken in 1978, Paula was remarkably active on our campus. She organized the new Circle-K club and served as that organization's President and Lt. Governor. She served in the Student Government as a Senator and Treasurer and she was a member of Omicron Delta Kappa, a leadership honor society. Paula also participated in the Choraleers and the USCS Pep Band. She served on various committees and helped at numerous campus events. All in all, Paula is definitely Miss USCS.

Teacher of the Year

Mr. Ronald H. Romine is a remarkably active individual. His academic background consists of a M.A. in International Studies and a Masters in Public Administration. He also expects to have his Ph.D. by next year in Political Science.

Ron Romine has been at USCS since 1975. In addition to his class teaching, Mr. Romine has served as coordinator of the Truman Scholarship, Student Government Association faculty advisor, Political Science Club advisor, member of the successful faculty "Battle of the Brains" team on WSPA radio, coordinator for Distinguished Visiting Professor William Jennings Bryan Dorn, member of the faculty Senate, and member of the Library Committee. Ron Romine has also been active in the community. He has been a member of the citizen committee to study the office of Supervisor in Spartanburg County, a member of the citizens committee to study transportation problems of the elderly in the Spartanburg area, chairman of the committee to evaluate county expenditures for health and social services, a Little League baseball coach, and a soccer coach in the American Youth Soccer Organization.

In the past, Ron Romine has received the honor of Distinguished Military Student at the University of North Alabama, graduated Cum Laude from the University of North Alabama, received the Bronze Star Medal for Vietnam Service and the Army Commendation Medal in 1971.

Mr. Romine is very interested in USCS and its' continuous growth. Active in the Army Reserve, Mr. Romine is very knowledgeable in South Carolina politics. Honored as the 1979 USCS Teacher of the Year, Ron Romine is very dedicated to higher education. Although he is rumored to be a difficult professor, most students leave his class with a great feeling, . . . a feeling of having learned something new.

1978-79 Outstanding Teachers

The "Teacher of the Year" Award is selected from nominations by students and faculty. A committee reviews vitas of prospective candidates and must narrow down those eligible. This year the Committee narrowed down twenty-five nominees to eleven, and then had these individuals conduct a presentation on "My Role in Education at USCS" for approximately five to seven minutes. From these presentations the Committee again narrowed the candidates to six outstanding USCS Professors. Out of these six, one individual was chosen as the "Teacher of the Year", and he then went on to compete with the Professors chosen from the other four campuses in the USC System. We are proud to recognize Dr. Ron Romine as the Teacher of the Year on our campus and winner of the Amoco Award for Teacher of the Year of the USC four year campuses.

DR. JOHN B. EDMUNDS, Professor of Social and Behavioral Sciences
Dr. John B. Edmunds is one of the University's original faculty members. He has been a member of the University of South Carolina for the past fourteen years—twelve of those on the Spartanburg campus. Dr. Edmunds has been Chairman of the Palmetto Athletic Conference and was President of the Regional Campus Senate. He has written several publications, the most recent being "Confederate Governors of South Carolina", L.S.U. Press, 1979-1980. Dr. Edmunds has been active in community affairs, giving numerous talks, serving on the Board of Directors of the Men's Garden Club, past President of the Ballet Guild, member of the Spartanburg Kiwanis Club, and past member of the Spartanburg Human Affairs Commission. He is also a resource person for the Spartanburg Art Gallery, a Sunday School teacher, and a member of the Emergency Treatment and Transportation Commission. Dr. Edmunds, in addition to his class teaching, is Chairman of the Social and Behavioral Sciences Division and also the Fine Arts, Language, and Literature Division.

DR. MICHAEL JILLING, Associate Professor of Business and Economics
Dr. Jilling is considered a specialist in multinational business organization and finance. Having joined the USCS faculty in 1975, Dr. Jilling received his Ph.D. from USC in 1976. He is a member of the National Honor Society in Economics, Omicron Delta Epsilon, and has been a USCS Teacher of the Year nominee for four years. Dr. Jilling has authored or co-authored eleven publications in his past. Presently he is working on two projects and conducting economic education workshops for local public school teachers. These are just a few examples of Dr. Jilling's concern for upgrading business education at USCS and the Spartanburg community. Dr. Jilling is fluent in German also.

DR. BRYAN LINDSAY, Associate Professor of Fine Arts and Humanities

A graduate of George Peabody College with a Ph.D. in Fine Arts and Humanities, Dr. Lindsay is a very well known individual on campus. He has founded and organized the Pep Band, the Contemporary Music Workshop, and the Near Misses dance team since joining the faculty of USCS in 1976. He serves as a poet in residence and has assisted in advising the production of Maggie's Drawers, the USCS literary magazine. "Doc" Lindsay has served on the Publications Board as Chairman, the Cultural Affairs Committee and the Faculty Advisory Committee.

In the community Dr. Lindsay serves on the Advisory Board of the Spartanburg Arts Council and the Steering Committee for the 1979 Spartanburg Spring Fling. He has spoken to various groups in the community and works with teachers of gifted and talented children in District 7. He serves on the state Board of Directors of the South Carolina Association for Talented and Gifted and works with the State Department of Education as a consultant in art education. Dr. Lindsay has several publications and is currently working on several projects in leadership giftedness, humanities and the future school, and future studies and gifted students.

DR. GILLIAN NEWBERRY, Assistant Professor of Biology

Dr. Newberry received her Ph.D. in Botany from the University of Wisconsin in August 1976. Shortly thereafter she joined the faculty of USCS. She is very active in both the Science Club and the Outdoors Club, using both as a means for educating students about nature. Dr. Newberry is active in several organizations that aid in her professional development as a biology professor.

Active in campus affairs, Dr. Newberry has served on several ad hoc faculty committees, and currently is on the Promotion and Tenure Committee. She is currently involved in establishing a herbarium of flowering plants native to Spartanburg County. This will provide a natural library for identifying plants formerly unavailable in Spartanburg County.

With three publications to her credit, Dr. Gillian Newberry typifies the qualities of an outstanding professor.

MR. RON YOUNG, Assistant Professor of Business and Economics

Currently doing course work for two Ph.D.'s from Georgia State University, one in Management and one in Decision Sciences, Mr. Young has been on the faculty of USCS since 1976. He has a B.S. in Electrical Engineering and holds two Master's degrees, one in Management and one in Decision Sciences. Mr. Young is a member of five honorary societies, Beta Gamma Sigma, Alpha Iota Delta, Tau Beta Pi, Eta Kappa Nu, and Pi Mu Epsilon. He also is the author of three publications and is active in five professional societies.

By serving as faculty advisor to the Administrative Management Society, Mr. Young is able to relate "real-world" experiences to class topics. Other campus activities include many committee assignments over the past several years.

In community involvement Mr. Young provides free consulting to two minority owned businesses in the state and also gives miscellaneous talks to community organizations.

USCS ODK Joins National Organization

ODK Officers for 1979-1980 and Faculty Advisor, Tom Davis, are sworn into office.

Dr. Dan Beeman, ODK National Vice President, reads the membership requirements as Faculty Advisor, Tom Davis, and National President, Dr. Glenn Hilburn, watch.

Omicron Delta Kappa, a national honor society, accepted the USCS chapter into its organization on Saturday, May 12. The formal, candlelit ceremony, held in Tukey Theatre, was conducted by the National President, Dr. Glenn Hilburn, and the National Vice-President, Dr. Dan Beeman.

ODK member Tommy Small signs the charter membership roll.

Howard and Sergiacomi Receive Sullivan Awards for 1979

PAM HOWARD

Pam Howard has excelled at USCS as an outstanding student, athelete and campus leader. A Dean's List student, she has twice served as president of Kappa Delta Pi, the honor society for Education majors. For two years she served as captain of the volleyball team and this year was selected as the outstanding woman senior student athlete. Serving as secretary of the Spartan Club, Pam has devoted countless hours of service in raising funds for scholarships and other projects. Her leadership has been recognized by her election as vice-president of the USCS Chapter of Omicron Delta Kappa national leadership honorary.

FRED SERGIACOMI

Service in almost every aspect of college life has marked the career of Fred Sergiacomi at USCS. Active in the Student Government Association as a senator, committee chairman, and treasurer, Fred also helped charter the Psychology Club. He served as sports editor, news editor and photographer of The Carolinian as well as a staff member of The Carolana. His interest in athletics led to his service as student sports information director. Twice he served as student editor of the Student Handbook and he has helped with over twenty orientation sessions. Fred has probably produced more audio-visual programs for USCS than anyone else in the history of the college.

Commencement '79

Under threatening skies, Dr. Olin Sansbury presented diplomas to 278 degree candidates. Gaylord Donnelley and Richard Tukey were presented honorary degrees at the afternoon commencement exercises held on the quadrangle. Mr. Donnelley, chairman of R. R. Donnelley and Sons Executive Committee, was presented the honorary Doctor of Laws degree, while Spartanburg Chamber of Commerce Vice-President Richard Tukey was presented the honorary Doctor of Public Service degree. Actress Helen Hayes delivered the commencement address to a very attentive and excited crowd. Miss Hayes' speech was continually interrupted by thunder and lightning, but the rain held off until the last degree was presented.

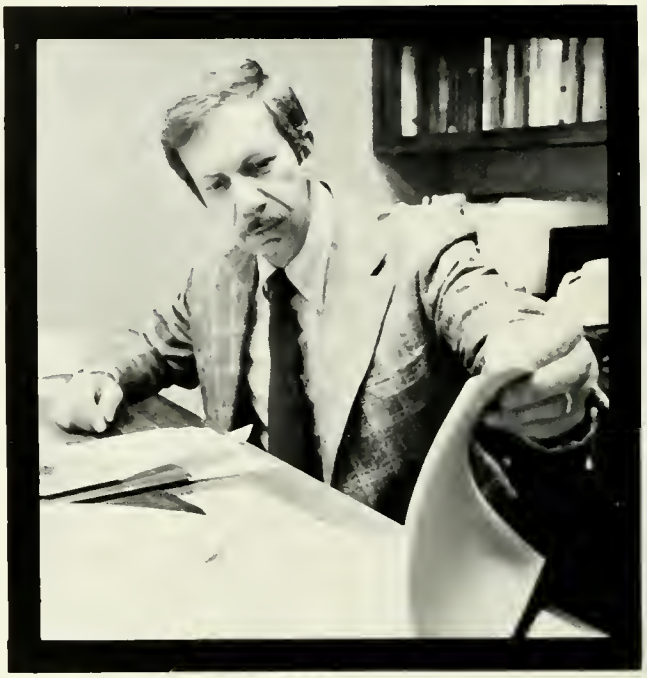
Epilogue

Oops!

After the Administrative staff section of this annual was sent in the CAROLANA was informed of several title changes. We would like to correct these now.

J. Tom Davis .....Associate Chancellor for Student Affairs
Ron Eaglin .....Vice-Chancellor for Academic Affairs
Ted Eilenburg .....Associate Chancellor for Administration
Gene Hutsell .....Associate Chancellor for University Relations

Also, we would like to apologize to Dr. Hutsell for leaving his picture out of the Administrative Staff Section. He is now pictured at the right.



At this time, the CAROLANA would like to apologize for any errors this annual may contain.

Now that the 1978-79 school term is over, I can look back over the months and reminisce. There were many disappointments, joys, and memories that have gone into the production of this edition of the Carolana. I hope to use this year as a learning experience and to put this knowledge to use in the future.

There were many people who were not staff, but without their assistance the 1979 Carolana could not have been produced. At this time, I would like to recognize them and offer my most sincere thanks and appreciation for their help. Also, I must give special thanks to Cathy Keuthan who inspired me to accept the position of Editor in the beginning and who has continued to be a strong supporter of my undertakings.

Cathy worked much more than an Assistant Editor is required to, even while someone else held the title of Assistant Editor. In April, the Publications Board became aware of this situation and appointed Cathy to the position in the remaining weeks. The Carolana and USCS will miss Cathy next year while she furthers her education at law school.

Once again thanks to everyone who helped this year, and the best of luck in the future!

Greg

Be everything that you can be
Reach out to touch the bizarre
Step through the mirrors of magic
To be who you really are
Don't listen if anyone tells you
That this time you've gone too far
Let the endless essence of enchantment
Expand your repertoire.
